Dear Mr Stephenson

Outcome of Endorsed Supplier Assessment

Congratulations! GE Lighting Australia Limited has achieved Endorsed Supplier status under the Australian Government's Endorsed Supplier Arrangement (ESA). In recognition of this achievement, I take pleasure in enclosing your Certificate of Supplier Endorsement.

This certificate holds continuous validity, which means your endorsement will be ongoing, providing you continue to meet all obligations under the ESA. However, to maintain the integrity of the ESA the Department may review your business' endorsement at any time.

I have also enclosed your copy of our executed ESA Head Agreement.

Details of GE Lighting Australia Limited have now been displayed on our website, at <http://www.esa.finance.gov.au/>, through the search button. Please note it remains your responsibility to keep these details up to date. You can make changes at any time by logging on with the User ID and password you supplied during the application process. You may also obtain a copy of the ESA logo after logging on and scrolling down the 'Supplier Menu' to 'Other Services: Download the ESA logo'. Your business may use the logo while Endorsed Supplier status is retained and in accordance with the rules of use documented on the ESA website.

Should you have any queries please do not hesitate to contact Lexie McEwan by telephone or email as shown at the head of this letter.

Yours sincerely
